Memo games with extra-large cards training memory skills in a playful way.

Here's the boar and that's where the fox can be found. Over there's the lynx and the eagle. But where are the badger and the marmot hiding? This classic game requires good memory – the player to find the most pairs wins!

Creative People:

Illustrator: Nastja Holtfreter was born in Berlin, Germany, in 1977, where she still lives today with her husband and her two daughters. After studying graphic design, she worked for a media agency. There, she developed and animated various figures and illustrations for children's TV-programmes. She now works as a freelancer illustrating post cards, paper goods and book covers. Developing her own picture books is what she likes best.
