Further information here

First factual information broken down comprehensibly for little animal lovers.

This board book introduces nine animal families that live in the wild: elephant, giraffe, tiger, hippo, zebra, monkey, crocodile, gazelle, and kangaroo. Each spread focuses on one animal and explains in short what the male, the female, and their offspring are called, what they eat, and where they live.

Creative People:

Author & Illustrator: Barbara Nascimbeni, born in 1969 in Italy, studied illustration in Germany and Italy. She has been working with several international publishing houses, e.g. in France, the UK, the US, and Korea. Today, she lives in Hamburg and the South of France.
