An innovative adaption of the popular fairy tale by the Brothers Grimm, motivating the youngest readers to interact in a playful way.

The prince doesn't mean any harm by his little prank. The witch, however, is all but amused and turns him into a frog! Now he's small, green and no longer handsome and royal. He desperately needs the reader's help – and a counterspell-kiss! Will that be enough to save him?

Creative People:

Author: Nastja Holtfreter was born in Berlin, Germany, in 1977, where she still lives today with her husband and her two daughters. After studying graphic design, she worked for a media agency. There, she developed and animated various figures and illustrations for children's TV-programmes. She now works as a freelancer illustrating post cards, paper goods and book covers. Developing her own picture books is what she likes best.
