A gang of friends facing exciting outdoor adventures and contemporary issues.

Going kayaking, swimming in the lake, and hanging out with his friends at the camping site where he lives – Robin can't wait for the holidays to begin! But then he finds a phone with a compromising video of one of his classmates. Even though Robin doesn't like Jannik, he still deserves justice, right? And then he throws the whole area into turmoil when he spots a crocodile in the lake. Soon, however, people start doubting him. Will Robin be able to prove he didn't make it up? In addition, the obnoxious daughter of his dad's new girlfriend is turning his life into hell. What's he supposed to do about her? Together with his friends, the Gang to Save Justice, he devises some plans – and gets promptly into trouble. But Robin is not one to give up …
