Contemporary neighbourhood stories about wishes with a lively protagonist.

Eight-year-old Edda collects wishes ever since the bookshop owner told her about wish swapping – and Edda really wishes for a pony! Unfortunately, that's a rather big wish, so Edda has opened a wish letterbox at her parents' restaurant for the small, big, and sometimes quite secretive wishes of the people in her neighbourhood. Everyone has a wish – and if she fulfils many small wishes, maybe one day Edda will be able to swap them for her one big heartfelt wish ...

Creative People:

Author: Ever since she was a child, Suza Kolb has made up stories about fierce and cheeky characters – on four or just two legs. For a long time, writing had only been a hobby for the Rhinelander who now lives in Bavaria. Nowadays, the weird adventures of her heroes are becoming actual books. She mostly finds inspiration in her immediate surroundings.

Illustrator: Daniela Kunkel started drawing stories in kindergarten and has never stopped. She studied social pedagogy and design with a major in illustration and has been working as a freelance illustrater in Münster since 2013.
