Further information [here](#)

A non-fiction card set on the popular topic common plants in a handy format to gamify one's exploration of our world.

What are the features of dandelions? Where can you find wild strawberries? This card set with beautiful, detailed illustrations and factual information about the plants that grow in our woods and meadows is the ideal companions for a discovery tour through nature.

Creative People:

Illustrator: Caroline Reißner grew up in the land of the “Blue Rider” and was influenced by the fantastic scenery of this lake and mountain landscape early on. After studying and working as a communication designer in Munich, she has been extending her knowledge regarding illustration studying at the HAW in Hamburg in the Illustration Design Department since 2017. She’s most interested in nature and non-fiction books.
