A captivating puzzle training concentration and fine motor skills.

Majestic animals glide through the water in the mysterious depths of the ocean. Put together all 500 pieces and discover an enchanting underwater world and its inhabitants. Atmospheric puzzle fun for the whole family!

Creative People:

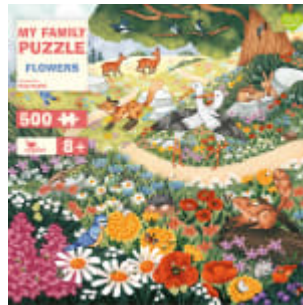

Illustrator: Jenny Palmer grew up in a city close to Nottingham and studied illustration and design at the University of Lincoln. She met her American spouse online through their shared love for video games. Today, they live together in Nottingham. She loves to bring bizarre scenes in her illustrations to life by using textured painting techniques and strong light effects, and to create detailed natural environments for cute animal characters to roam them.
