Ein zauberhaftes Puzzle für die ganze Familie

four-colour illustrated by Kaja Kajfež

Recommended Age: 8+

Puzzle

Puzzle

31,6 x 31,6 x 2,0 cm

€ 16,00 (D)

19 January 2023

A captivating puzzle training concentration and fine motor skills.

Dive into a sea of flowers and discover the animals that live between them. Put together all 500 pieces and explore the colourful meadow and its inhabitants. Enchanting puzzle fun for the whole family!

Creative People:

Illustrator: Kaja Kajfež was born in a small charming town in Croatia. As a child, she often painted with her mother, kindling her love for illustration early on. Later, due to her interest in computer technology, she got a degree in Multimedia, Design and Application with a focus on visual communication. During her studies, she already began working as a freelance illustrator, which enabled her to establish her own illustration studio.
