With extra-large pieces for small children's hands, fantastic animals come to life boosting imagination.

Does a sausage dog have fins? Do a tiger's bottom and the belly of a crocodile go together? And does the magnificent walrus beard suit a cow? Head, belly, and bottom of the droll puzzle animals can be interchanged randomly.

Creative People:

Illustrator: Nastja Holtfreter was born in Berlin, Germany, in 1977, where she still lives today with her husband and her two daughters. After studying graphic design, she worked for a media agency. There, she developed and animated various figures and illustrations for children's TV-programmes. She now works as a freelancer illustrating post cards, paper goods and book covers. Developing her own picture books is what she likes best.
