Further information [here](#)

Memo game with extra-large cards and colourful illustrations training memory skills in a playful way.

Here's the card with the angry red Mr Lion, there's the one where he's multi-coloured and happy. But where are the cards with surprised and sad Mr Lion hiding and which colours do they have? No matter whether he's happy, sad, afraid, proud, or head over heels in love – Mr Lion's emotions are colourful!

Creative People:

Illustrator: Nastja Holtfreter was born in Berlin, Germany, in 1977, where she still lives today with her husband and her two daughters. After studying graphic design, she worked for a media agency. There, she developed and animated various figures and illustrations for children's TV-programmes. She now works as a freelancer illustrating post cards, paper goods and book covers. Developing her own picture books is what she likes best.
