A wonderfully illustrated gaming classic that playfully trains concentration.

One, two, three, let's go! On which board is the cow? And has anyone spotted the squirrel? This fun gaming classic for children features forest, meadow, sea, and farm animals. The player who finds all nine animals on their board among the face-down cards first wins!

Creative People:

Illustrator: Nastja Holtfreter was born in Berlin, Germany, in 1977, where she still lives today with her husband and her two daughters. After studying graphic design, she worked for a media agency. There, she developed and animated various figures and illustrations for children's TV-programmes. She now works as a freelancer illustrating post cards, paper goods and book covers. Developing her own picture books is what she likes best.
