

My Maxi-Memo – What Belongs Together? – Fairytales

four-colour illustrated by Daniela Merkel

Recommended Age: 3+

Memo Game

Spiel

20,0 x 20,0 x 4,7 cm

€ 14,00 (D)

17 July 2019

Further information [here](#)

These memo games with extra-large cards nurture memory and combination skills.

Here's the beanie but where are the gloves? Over there's the gardener but what about his watering can? And who remembers where the fairy's wand is hidden? Who will find the most matching pairs and win?

Subjects: things at home, professions, fairytales

Creative People:

Illustrator: Daniela Merkel finished her design studies in Freiburg in 2004. She found her passion for illustration early and founded her own design label "life is delicious" in 2016. She loves colours and the style of old, classic children's books and collects them with a passion. She lives with her husband and sons in Freiburg.
