Further information [here](#)

Lots of puzzle fun familiarising children with professions and encouraging them to get creative.

An astronaut in a skirt and a fire fighter's helmet? A chimney sweep with handcuffs and a doctor's white coat? The three parts – head, torso and legs – of this puzzle with extralarge pieces can be exchanged randomly for children to invent their very own fantasy professions!

Creative People:

Illustrator: Pina Gertenbach, born in Karlsruhe, studied communication design at the University of Applied Sciences Mannheim. She has been working as a freelance illustrator and graphic designer for publishers and agencies ever since. She lives and works in Berlin.
