**With about 4 metres each, or 8 in combination, these puzzles provide endless gaming fun for children to get creative.**

These streets are really busy! Overtake the baby whale in its racing aquarium, dodge the reading owl with its dangerously wobbling stack of books, or stop with squealing tires next to the crocodile in its bathtub. Crossroads, roundabouts, bends, and straights – with these handy pieces children can put together their own street in a multitude of ways. The colourful, tongue-in-cheek illustrations make this game a treat for children and parents alike.
