**With about 4 metres each, or 12 in combination, these puzzles provide endless gaming fun for children to get creative.**

There's a lot going on on the river! Pass the moose on its log house raft, visit the racoon doing laundry on its island, or watch the ducks perform aquatic ballet. Harbours, riverbanks, bends, and canals – with these handy pieces, children can put together their own river in a multitude of ways. Use the bridge pieces to connect the river and street sets to build your own world!
