**An original and imaginative concept from the well-known illustrator Eva Schöffmann-Davidov
– with the potential to be a children’s classic!**

Two dots, round and fat – what can it be? Add a little nose in the middle and a smiley mouth and you soon have a face! But that’s not all: quickly draw ears, cheeks and hair, and the head is finished. Add a stripy tummy, legs for running and a waving arm, and the little fellow is ready:

‘The little squiggle is now a boy,
but what you cannot guess
is that his name is Arthur
and he has freckles on his face!’
