A wonderful series with a unique design and two delightful protagonists.

Lotti is three years old and wants to know everything. Her cat Theo knows everything and explains to her how the world works. Senses, for example:

'I listen with my hands' Lotti says.

'No, you listen with your ears' Theo corrects.

The conversation between the pair evolves in just a few words and clear pictures and opens up a dialogue between reader and child, too.

Subjects: senses, colours, home, clothes
