A large-sized and detailed board book to discover the animal kingdom playfully.

Lion, rabbit and pig – which animal is the odd one out? It's the lion, of course, for fortunately he doesn't live at the farm. He belongs to the dangerous animals with hippo, python, leopard and elephant. On each spread of this Giant Search Hurry-Scurry book, there's something new to discover: the fastest animals, animals that live underwater, or ones that are especially droll and funny. And one never fits in. The little readers will encounter many surprises when looking for them.
