**An interactive board book in rhyme about falling asleep; a perfect companion for daily bedtime routines.**

When night falls in the forest, it's bedtime for everyone except Owl, who keeps watch over the other animals. But oh, that's not an easy task! Squirrel is being tormented by midges, Rabbit can't get into their warren, and Sparrow and Tit are still chirping noisily. Now Owl needs the little reader's assistance: Let's tap, blow on, shake, and turn this book to help them fall asleep soundly!
