A colourful board book about an exciting journey into the treetops playfully imparting first factual knowledge about the animals that live there.

Take a peek into the treetops – and now even deeper between the leaves and branches: There, owls, squirrels, sloths, and koalas live. Do you know how a squirrel spends its days, why koalas cuddle with eucalyptus leaves, and why lions sometimes sit in trees? No? Then let's climb up into the trees and find out! There's a lot going on here!
