Look, the bee is collecting nectar on the meadow and the horse and the sheep are racing each other! And there's the rabbit in the garden and the clownfish in the ocean, the cow at the farm and the fox in the woods, the plane in the sky and the excavator at the construction site, the tiger in the jungle and the elephants in the savannah, and the foals on the pasture and the fire engine on the road!

These buggy books with colourful illustrations provide many motifs on the all-time favourite subjects meadow and farm animals, garden and ocean, farm and forest, vehicles and construction site, jungle and savannah, and baby animals and service vehicles to marvel at.

With the band included in each bundle, the books are easily fastened to the buggy to be always close at hand.
