Further information [here](#)

A board book filled with popular animals that playfully invites the youngest of readers to look more closely.

Many animal families live on the farm, in the woods, and in the wilderness. Come along and take a peek: Can you spot the little foal? Which squirrels are munching on the winter stock? And who helps the crocodile to brush its teeth? Each page introduces an animal family and offers a little search task.

Creative People:

Illustrator: Barbara Nascimbeni, born in 1969 in Italy, studied illustration in Germany and Italy. She has been working with several international publishing houses, e.g. in France, the UK, the US, and Korea. Today, she lives in Hamburg and the South of France.
