Creative People:

Author: Ever since she was a child, Suza Kolb has made up stories about fierce and cheeky characters – on four or just two legs. For a long time, writing had only been a hobby for the Rhinelander who now lives in Bavaria. Nowadays, the weird adventures of her heroes are becoming actual books. She mostly finds inspiration in her immediate surroundings.

Illustrator: Christine Faust studied toy and teaching aids design and should therefore design toys. However, she loves drawing even more, which is why she illustrates children's books and games and also works in the animation industry for film and television. Christine Faust lives in Magdeburg where she likes to send her children on Easter egg hunts.
