An adorable protagonist breaking with gender stereotypes.

Heinrich is a big cock already – well, almost. At least he's getting better at crowing! When he's all grown up, Heinrich is to look after the chicken yard, just like his father! But why can't he look after the little chicks as well, just like his mother? Who says hatching is only for hens?! That's totally unfair! Heinrich sets his mind to proving everyone wrong and cocks can hatch eggs and look after chicks just as well!
