A Christmas tale about traditions in a modern packaging.

Oh dear! Fox and Piglet have forgotten Christmas and now they don't have any presents! But Fox comes up with an idea: they could lure Santa into their home and maybe swipe a teensy tiny present when he's there. Piglet isn't so sure: what if Santa gets angry because their home isn't all cleaned up and decorated? They don't even have a Christmas tree! Swiftly, they get to work to set things right and soon their home is wonderfully Christmassy. And even for the missing presents there's an unexpected solution ...
