A tender bedtime story with factual information about the hibernation of hedgehogs.

Hibernation? Who invented something as silly as that? The little hedgehog is upset he is supposed to sleep through winter while his friends will play hockey, build snow animals, and go skiing. Things the little hedgehog doesn't want to miss for the world! Alas, all pleading and begging is in vain, but fortunately, Mama hedgehog and his friends know how to cheer him up – and come spring, there's a big surprise waiting for him!
