A heartwarming story about gathering up courage and finding one's voice.

Every day, Leo walks his bicycle down the road into the valley. He is certain the hill is just too steep to ride it. The other children in his class often pick on him for always being afraid. But everything changes when elephant Ellie suddenly appears in Leo's life. With his new friend by his side, the world suddenly looks differently. And bit by bit, Leo starts to surpass himself. Maybe it's not so hard to be brave and stand up for yourself after all ...
