Creative People:

Author: Ever since she was a child, Suza Kolb has made up stories about fierce and cheeky characters – on four or just two legs. For a long time, writing had only been a hobby for the Rhinelander who now lives in Bavaria. Nowadays, the weird adventures of her heroes are becoming actual books. She mostly finds inspiration in her immediate surroundings.

Illustrator: Nina Dulleck, born in 1975, is a children's book author and illustrator. Whenever she's not drawing or writing, she looks after three feisty children together with her husband or creates funny videos about all things children's books for her YouTube channel.
