A book to discover the beauty of language filled with extraordinary words and lush images.

driftwood – hayfever – daydream – whirlwind

Whether it's hopping puddles in spring, doing somersaults on a summer meadow, listening to the crackle of a bonfire in autumn, or making oneself cosy at home in winter, life is full of magical moments and colourful images. To do them justice, our language contains many special and wonderful words capturing their essence. Accompany Sara, Noah, and their cat Bonnie throughout their year and learn 140 figurative and unique words and their meaning.
