Merry, exciting adventures brimming with a multitude of fantastic ideas, magical creatures, and endearing characters.

One moment, Milla is following her tomcat Milk-Moustache through the garden, the next, she finds herself in a parallel world full of magical animals, extraordinary inventions, and delicious food creations. Turns out Milk-Moustache is actually an enchanted vet who looks after the animal inhabitants of Twinkleworld together with the girls Fibi and Orelia. Milla is over the moon and instantly becomes fast friends with the very enthusiastic mini-mammoth Pippa and experiences berry adventures with her.
