### **A gritty story of first love against the backdrop of the abysses of organised crime.**

Jonas's and Nika's first meeting is a far cry from love at first sight. After all, Jonas catches Nika breaking into his house. Not because she's out for him personally, it's just her job. She's part of a family clan specialised in break-ins and if she doesn't deliver the merch, she's in for trouble, big time. When chance brings them together a second time, it rocks their worlds. Nika starts to realise that there is more to life than the constant pressure and strict rules of her family. But her clan will never let her go willingly; her family will do anything to protect its integrity. Suddenly, it's not only Nika's life in danger, but Jonas's as well ...
